

Books Perfect for EYFS

A Place for Zero

Author: Angeline Sparagna LoPresti

ISBN: 1-57091-196-7

Synopsis: Zero is all alone in the land of Digitaria. He can't play Addemup with the other numbers, because he has nothing to add. Join Zero as he goes on a journey to discover his place. His quest takes him to the mysterious workshop of Count Infinity to the place of King Multiplus, where Zero meets a stranger who looks surprisingly familiar.

Maths Links: Using and applying, counting and understanding number, knowing and using number facts and calculating.

The King of the Birds

Author: Helen Ward

ISBN 1-84011-703-6

Synopsis: Who should be the King of the Birds? The biggest bird? The smallest? The one with the longest beak? Only a competition can decide...but who will be the winner?

Maths Links: Using and applying, counting and understanding number measuring and handling data.

Uno's Garden

Author: Graeme Base

ISBN: 978-0-8109-5473-1

Synopsis: When Uno arrives in the forest one beautiful day, there are many fascinating and extraordinary animals there to greet him. And one entirely unexceptional Snortlepig. Uno loves the forest so much, he decides to live there. But, in time, a little village grows up around his house. Then a town, then a city...and soon Uno realises that the animals and plants have begun to disappear...

Maths Links: Using and applying, counting and understanding number, knowing and using number facts and calculating.

Billy's Bucket

Author: Kes Gray and Garry Parsons

ISBN: 978-0-099-43874-8

Synopsis: Billy wants one thing for his birthday. Not a computer game, not new trainers, not a new bike, but a bucket. Billy's bucket is special. "You must never ever borrow my bucket!" he warns his mum and dad/ But do they listen?! An imaginative birthday story

Maths Links: Using and applying and measuring.

Eat Your Peas

Author: Kes Gray and Nick Sharratt

ISBN: 978-1-862-30804-6

Synopsis: This is a story about a mum trying to persuade her daughter to eat her greens but just how much does mum want Daisy to eat her peas? Well, it starts off with a small bribe of an extra pudding but then the incentives grow and grow and the number gets bigger and bigger. Will Daisy eat her peas or will she turn the tables on mum?

Maths Links: Using and applying, counting and understanding number and knowing and using number facts.

Moonchap

Author: Mary Murphy

ISBN: 0-09-943966-2

Synopsis: Moonchap is looking for a new place to live. Square and Circle offer to share the island, but Moonchap isn't so sure. They fight a lot. Can he help them to become good neighbours? A dynamic story that weaves in shapes and numbers, and encourages readers to develop good citizenship.

Maths Links: Using and applying, calculating, understanding shape and handling data.

One Is a Snail, Ten Is a Crab

Author: April Pulley Sayre and Jeff Sayre

ISBN: 978-1-84428-164-0
